

Getting Started with REEF

- 1 Click the REEF weblink in your school's grade and course management system (Canvas, Blackboard, D2L, or other software)
▶ You must use this link for your scores to sync to your instructor's gradebook

- 2 **If you're new,** create a free REEF account.
If you've used REEF before, sign in, and skip ahead to #5

- 3 If you plan to use an i>clicker remote in any of your classes, register the Clicker ID in the Profile section of the REEF menu.

- 4 Download the mobile app (Optional).

- 5 Your course should have been added automatically. You're ready to join when class is in session!
 In class, you can join from the web, mobile app, or with a clicker.

If you are using the REEF app or website to participate in class you will need to purchase a REEF subscription.

What do I need if I want to participate in class with...

▶ Make sure you know what your Instructor allows before making any purchases.

Only the REEF mobile app
