How to embed a video into a discussion Thread in MyCourses

Step 1. In the Discussion area, click on a "Create Thread"

orui	m: I	Forum 1		****								
ľ		Forum: F	orum 1									
1		Forums are made up of individual discussion threads that co Help										
		Create Thread	Subscribe									
				1								

Step 2. Type in the subject of your Thread

In the Text editor click on "Mashups" and choose "Kaltura Media".

If you cannot see the entire Text editor screen or you don't see Mashups click on the two double arrows on the upper right hand of the editor.

How to embed a video into a discussion Thread

This will launch a new MyMedia window in Kaltura where you can upload and embed your video.

Step 3. Click on "Add New" then "Media Upload".

Step 6. A progress bar will indicate that the video is being uploaded and processed. Once done, "Upload Completed!" will appear.

One can then add any additional details and rename the file if necessary.

Click on "Save and Embed"
